

**PROFESSORSHIP AT  
DEPARTAMENT OF MATHEMATICAL ENGINEERING  
UNIVERSITY OF CONCEPCIÓN, CHILE**

A full-time professor position is available at the Department of Mathematical Engineering at the University of Concepción, Chile, from **January 2, 2008**.

The department is looking for a candidate holding a doctoral degree in mathematics, and who is specialized in one of the following (or related) areas:

- \* **Numerical analysis,**
- \* **Optimization and non-linear analysis,**
- \* **Stochastic analysis.**

The candidate's research record should include participation in research projects and publications in international journals.

The candidate should be able to work in teams and to form research groups. Teaching duties include courses at both undergraduate and graduate level.

The candidate should speak Spanish.

Applications should include a Curriculum Vitae and copies of the most relevant publications. Candidates should have two letters of recommendation sent to the department.

The salary and level of appointment will be commensurate with the successful candidate's experience.

Applications should be sent before July 30, 2007 to:

Director  
Departamento de Ingeniería Matemática  
Facultad de Ciencias Físicas y Matemáticas  
Universidad de Concepción  
Casilla 160-C, Correo 3  
Concepción-CHILE
