

# SECOND GLOBAL CONFERENCE ON POWER AND OPTIMIZATION PCO2009

## FIRST CALL FOR PAPERS

BALI, INDONESIA 1 - 3 JUNE 2009

It is our great pleasure to announce the second Global Conference on Power Control and Optimization PCO 2009, which will be held in Bali, Indonesia from 1 to 3 June 2009. The Conference is technically sponsored by AIP, WSEAS and Springerlink, and organized by Department of Electrical Engineering, Curtin University, Malaysia

Scope of the conference is contemporary and original research and educational development in the area of electrical power engineering, control systems and methods of optimization techniques. The scope of the conference includes, but not limited to, the following topics:

- Hybrid renewable energy
- Power Systems, protection and reliability
- Controllers, drives and machine design
- Smart System
- Mechatronics and nano physics
- NEMS and MEMS
- Simulators and software engineering
- Soft computing and computational intelligent
- Fuzzy and hybrid optimization
- Artificial immune systems
- Evolutionary algorithms
- Ant colony, Genetic and Swarm optimization
- Probabilistic & possibilistic optimization
- Production design and Rough set
- Optimization and decision making
- Searches and simulated annealing

Prospective authors from universities and industries are invited to submit the full paper by email before the deadline. Paper should be submitted electronically, formatted in MSWord, as per PCO-08 guideline

All papers will be peer reviewed by two independent reviewers as per IEEE guide. PCO-09 proceeding will be published online by AIP. Selected papers will be published in WSEAS, Springer Verlag, and other Journals

Proposal for holding special sessions and workshop are invited from prospective authors and industrial bodies, and should be addressed to the Chair, Special Sessions

The program committee is currently looking for speakers and financial sponsors from industry, academics, and professional bodies.

### Authors' deadlines:

Receipt of Full Papers	01/02/09
Notification for Peer Review	01/03/09
<b>Camera ready Paper</b>	<b>15/04/09</b>
<b>Registration with full payment</b>	<b>15/04/09</b>

Each accepted paper must be presented by one of the authors after paying the necessary fee of 200.00 EURO. This fee is applied for all delegates, accompanies and students. No discount or waving will be given.
