Pacific Journal of Optimization (PJO)

Call for Papers

Special Issue for SJOM 2008

Pacific Journal of Optimization will publish a special issue containing selected papers presented at the 4th Sino-Japanese Optimization Meeting (SJOM 2008), August 27-31, 2008, Tainan, Taiwan.

This special issue will focus on the theory, algorithms, software, and applications of optimization.

The topics of the special issue include:

- Applications - OR and Management Sciences
- Applications - Science and Engineering
- Combinatorial Optimization
- Complementarity and Variational Inequalities
- Constraint Logic Programming
- Convex Optimization
- Data Mining
- Global Optimization
- Infinite Dimensional Optimization
- Integer Programming
- Linear, Cone and Semidefinite Programming
- Multiobjective Programming
- Network Optimization
- Nonlinear Optimization
- Optimal Control
- Optimization Software and Modeling Systems
- Robust Optimization
- Scheduling
- Smooth and Nonsmooth Optimization
- Stochastic Programming

All papers to be published in the special issues will go through the regular journal-review process. All papers should be submitted via e-mail to any of the two Guest-Editors:

Prof. Soon-Yi Wu
(soonyi@mail.ncku.edu.tw)
Department of Mathematics
National Cheng Kung University, Taiwan

Prof. Nobuo Yamashita
(nobuo@i.kyoto-u.ac.jp)
Department of Applied Mathematics and Physics, Graduate School of Informatics
Kyoto University, Japan

Submission deadline for full papers: March 31, 2009
Author instruction: Authors are requested to follow the guideline in the website of PJO for preparing the submission:
